March 24, 2020

Dear Parishioners of St. Anthony Parish:

Effective this weekend (March 28-29), St. Anthony Parish will be offering the following Masses via the internet:

An English Mass on Saturdays at 4:00 p.m.

A Vietnamese Mass on Sundays at 11:00 a.m.

These online Masses can be found through the St. Anthony website, www.stanthonywichita.com. They can also be found on my Facebook page, for those who use Facebook. You can live stream the Masses at the time mentioned above or at a later time.

Worshiping remotely allows us to bring our fears, anxiety, and petitions to the Divine Physician during this coronavirus crisis. My hope is that it will bring comfort to St. Anthony's parishioners and an end to this pandemic.

We were in the planning stage of having St. Anthony Church open for certain hours, and also were to be offering the opportunity for Confession as well. Today's Stay at Home Emergency Order by Sedgwick County voided those options.

The Emergency Order is for 30 days, but exceptions for "Essential Businesses" to perform "Essential Activities" are allowed. One of the exceptions is for "Leaders and Employees of religious institutions."

While social engagement is now severely limited, the bills for our beloved parish continue. Please consider mailing your contributions and/or Mass intentions to the Parish Office.

St. Anthony Catholic Church
1214 E 2nd St. N
Wichita, KS 67214

My prayers for your spiritual and physical well-being will continue, and I am offering daily Mass in my rectory for you and your intentions.

Blessings,

Fr. Benjamin Nguyen
Pastor
